Main Material: 98 % cotton, 2% polyester, Amalytton®, kanvasová vazba
2nd shell: 65 % polyester, 35 % cotton
3rd shell: 100 % polyester - Oxford
4th shell: 88 % nylon, 12 % spandex - TABIFLEX®

Grammage: 250 g/ m²

Size: 46 - 64

Workwear bib pants with a knee pocket made of the special Amalytton® material, which provides increased strength and durability for cotton fabric while maintaining elasticity and all the benefits of a natural material, such as breathability and a pleasant wearing sensation. The Tabiflex® extra durable super elastic material is used on exposed parts. The trousers have a highly ergonomic and functional SLIM FIT cut that accentuates the silhouette, including an anatomically shaped knee design for maximum customization of movement. The knee area is lined with durable waterproof Oxford material and features a kneepad pocket. ADN®-ADAPTBELT technology allows for maximum flexibility and a waist width adjustment. The trousers are equipped with a D-ring for a carabiner, 2 deep hidden pockets reinforced with the Oxford material, 1 front zipper pocket, 1 front tool pocket with a wide loop, a multifunctional pocket for a folding tape measure, a screwdriver and a pry bar with wide loops on the right leg, a large double pocket covered with a button flap on the left leg, the back part is divided by a saddle and 2 pockets, the right back pocket is covered with a button flap. The bottom leg hem is reinforced with Oxford abrasion protection material. 1 zipper pocket, elastic suspenders with buckle for making easy length adjustments. Higher visibility of the user is ensured by reflective strips placed on the front and back and hi-vis accessories. The trousers allow for easy extension of length by 5 cm. This personal protective equipment is in conformity with these harmonized

Service life depends on the frequency of use and the wear rate under the given conditions. Improper storage and improper maintenance and handling will reduce the service life. The warranty period is 24 months. In no event may the warranty period be confused with a product's service life. Under intense use, the service life may be shorter than the warranty period.

The product contains no substances at concentrations that are known or suspected to have adverse effects on sanitation or a user's health. However, skin irritation may occur with sensitive persons; in this case, the discontinue use of the clothing. Avoid fire and intense heat sources. There are no designated accessories or spare parts for this clothing. When a garment is not being worn, it should be stored in dry and well ventilated places out of direct sunlight. In order to transport, the original packaging should be used. Protect from moisture and extreme temperatures. After use, dispose of in an environmentally friendly manner.
