---

A stretch work jacket with functionally inserted parts made of extra durable super elastic Tabiflex® material. The special Amalytton® material, used to make the work jacket, ensures increased strength and durability of the cotton fabric while maintaining elasticity and providing all the benefits of a natural material, such as breathability and a pleasant wearing. The work jacket with stand-up collar has an anatomically shaped and functional SLIM FIT cut. Functional back panels made of extra-stretchy Tabiflex® material contribute to an even better fit when moving. The work jacket has a zipper, is equipped with 1 zipper chest pocket, 1 zipper pocket on the left sleeve, and 2 convenient zipper side pockets; the width of the sleeves and the bottom hem of the jacket is adjustable with fasteners. The upper left part of the jacket is designed to bear a company logo in the form of either printing or embroidery. The back of the jacket has functional ventilation. Higher visibility is ensured by reflective stripes on the front and back and hi-vis accessories.

This personal protective equipment is in conformity with these harmonized European Standards:

ČSN EN ISO 13688:2013: Protective clothes - General requirements.

PPE of the simply construction against minimal risk, which can be recognized by the user early and safely.
